Local Club Will Defend Titles in Monona Races

The biggest ice-boat show of the winter will be staged on Lake Monona this weekend when the Four Lakes Ice Yacht club plays host to the Northwest Regatta.

The Madison club will be defending three coveted trophies this year during the meet—the Stuart, Hearst and Class A Northwest.

Other Madison boats entering include the Clancy, a highly regarded Class B boat owned by Phil Oetking; the Ace of Spades, a Class C entry owned by Dave Butler; and Bill Mattison's Snapshot.

A special race has been set up for young Madison skippers so that they won't have to compete against the seasoned pilots.

A public address system will be set up at Law Park and programs, listing the numbers of the various boats, will be distributed for the benefit of spectators.

Edgewood Is Defeated By 61-56 Score

Prairie du Sac Snaps Crusader Win Streak; Mueller, Aton Star

PRAIRIE DU SAC, Wis.—Prairie du Sac's prepagers threw the blocks in Edgewood's winning streak here Tuesday night as the Blackshirts copped a high scoring 61-56 verdict.

Both teams scored 23 field goals but Prairie du Sac was more prolific on the charity line where it hit 15 out of 22 while Edgewood made but 10 of 22.

Curt Mueller, Prairie center, scored 23 points on nine field goals and four free throws, to pace the individual scorers.

Center Tom Haen and guard Jerry Higgins played good ball for the losers and shared scoring honors with Ray Peterson with 10 points apiece.

The victory was the eighth in nine starts for Coach John Cole's quietest while the defeat was the third in 11 starts for Edgewood.

The Crusaders trailed 19-10 at the quarter and 38-28 at halftime. They fell further behind in the third quarter 50-36 before putting on a torrid 20 point fourth quarter.

Prairie du Sac's lone defeat was at the hands of Spring Green in a Tri-County conference game while Edgewood had previously lost to Edgerton of the Southern Ten and Plymouth.

8 Title Bouts are Set For Tonight in Finals of U. W. Ring Tourney

Zale, Ranck Will Box Exhibition on Fine Card

Nine bouts, eight title scraps and an exhibition, are on tonight's all-university boxing tournament final card to be held at the fieldhouse at 8 p. m.

The pairings were made official with the completion of the semi-finals held Tuesday night in the fieldhouse ring before less than 1,000 fans.

Best of Tuesday's show was the workmanlike win of Charles Magestro, South Milwaukee, over Mitch Mazur, Detroit, in the 139 pound class.

Magestro carried the battle to his game opponents all the way and scored knockdowns in the first and third round with sharp right hand punches.

Magestro has class galore and his tussle with his roommate, Jerry Tynan tonight, should be a fine one.

Tynan won their match in the contender's tourney some weeks ago.

Tonight's Card 119 POUNDS Red Corner White Corner Don Merrill, Kenosha, vs. Bob Hennessey, Portage.

125 POUNDS Bobby Thrall, Milwaukee, vs. Tommy Zamzow, Madison.

147 POUNDS Pat Sreenan, Beloit, vs. Bob Morgan, Duluth.

Bobby Morgan, nifty boxer from Duluth, gave Bob Goodstitt, Milwaukee a tasty ring lesson in their 147 pound match.

What started out to be one of the better bouts of the show was halted in the first round when John Pleck, Glencoe, Ill., suffered a cut over his eye in his 167 pound division bout with Dick Trainor, Madison.

In the heavyweight class, stubby Paul Vervey, Racine, gained a unanimous decision over tall John Saxby, Oak Forest, Ill. Vervey milled away with both hands and at times had to stand on tip toes to reach his opponent.

Ray Hunder, Stoddard, won all the way from Morton Erickson, Tomah, in one of the better bouts of the show.

Hunder has improved since the contender's meet and is a promising youngster.

All decisions were unanimous in the show with Don Merrill, Kenosha defeating Denny Kehoe, Watertown in the 119 pound class and Bobby Thrall, Milwaukee getting the nod over Jack Pieper, Baraboo, in the 125 pound division.

The 165 pound crown in tonight's show will be defaulted because of the cut suffered by Trainor and in its place, Coach John Walsh has arranged for heavyweight Bob Ranck to box Ray Zale.

Plenty of seats are available for the show with ringside chairs selling at \$1 and reserved seats 75 cents.

Semi-Final Results 119 POUNDS Don Merrill, Kenosha, decided Denny Kehoe, Watertown, 3-0.

KAUKAUNA, Wis.—(P)—Guy Krumm, head football coach at Kaukauna high school for the past five years, resigned Tuesday because of poor health and the increasing volume of his duties.

During his five years, Krumm's football teams posted a record of 31 victories against three defeats and two ties and won three titles in the western division of the Northeastern Wisconsin conference.

First Negro Goller to Gain Concession

LOUIS WINS PGA APPROVAL TO PLAY IN SAN DIEGO TOURNEY

SAN DIEGO, Calif.—(P)—Former heavyweight boxing champion Joe Louis was the winner today in his fight to gain professional golf association approval to play in the San Diego Open tournament Thursday.

Louis claimed it made him the first Negro, amateur or professional, to gain such approval.

The decision to accept his entry as an invited amateur was announced Tuesday by Horton Smith, PGA president.

Louis was paired with Smith and another PGA national committeeman, Leland Gibson of Kansas City, as a starting threesome.

Smith also announced that a PGA ban would stand against the other Negro, Los Angeles professional Bill Spiller. He said Spiller lacked PGA approval as a professional and also was subject to a long-standing tradition based on the PGA by-law that all members

Comiskey Asks For Contract, More Salary

White Sox Official Seeking Security, Not More Titles

CHICAGO—(P)—"I want more money and a contract—they don't pay off on titles."

That's the demand of Chuck Comiskey, whose resignation as vice president and secretary of the Chicago White Sox will come before his mother, Mrs. Grace Comiskey, club president, and the board of directors Friday for review.

Chuck disclosed in an interview today that he wasn't interested at this time in becoming president if that position were offered in way of a compromise unless he got a raise and job security.

All this talk about me wanting to become president of the club now is a lot of bunk," he said.

That's not the bone of contention. The president still can be fired by the directors in our organization. Titles mean nothing," Chuck declared that his situation cannot be classified as a family squabble.

"My relations with my mother are amicable," he said. "After all she is my mother, and besides she is a wonderful baby sitter."

"Just being a Comiskey isn't enough. There is a misconception that being a Comiskey assures me a solid position with the club. This is not true. In fact, there has been talk by the board of firing me in the past."

"That is why I say titles mean nothing. I am 26 and feel that I must have job security that a contract would provide, and feel that I am worth more than \$10,000 per year, especially after having part in last season's great success of the White Sox, financially, as well as their first division finish."

Chuck said he, frankly, was not optimistic about the matter being smoothed over at Friday's board meeting.

Frank Lane, the \$35,000 per year general manager, chided Chuck good-naturedly at a press conference Tuesday.

Louis Wins PGA Approval to Play In San Diego Tourney

and insisted the ban was "just because he is colored."

The former ring champion said he would play, even though Spiller was ruled out, but that he would continue his fight to gain equal rights for Negroes in golf.

He said it was the last sport in which racial prejudice now exists and that the PGA rule was the major reason.

"This is only the first round," he declared.

Louis said he had nothing against Smith and that when he called him "another Hitler" earlier in the week "it was not him personally but the things he stood for."

Smith said he expected that the PGA annual meeting next November would take some action to clarify the situation and possibly establish a uniform code with other golf organizations on the approval of players.

Gain Revenge Spartans Defeated by Notre Dame

NEW YORK—(P)—The home team in college basketball games is supposed to have an advantage but things didn't work out that way Tuesday for Michigan State, Yale, North Carolina State, Harvard and Rice. They all played at home and lost.

Notre Dame drubbed MSC, 56-46, thus avenging the Irish's 66-52 defeat on their own court last month, a setback that snapped a 20-game home winning streak for the Irish.

MSC used a two-rotation system, alternating five fresh starters each period, but this worked only for the first period.

John Stephens, Notre Dame guard who played most of the game, was high with 18 points.

Cornell whipped Yale, 60 to 52, to move into a triple tie with Penn and Princeton for the lead in the Ivy league.

Louisville trimmed N.C. State, Southern conference champions, at Raleigh, 73-68. Bob Brown led Louisville with 27 points.

Dartmouth beat Harvard, 60 to 59 in overtime, for its first Ivy league victory. Bill Biggs' field goal as the buzzer sounded turned an apparent Harvard victory into defeat.

Texas moved into second place in the Southwest conference by defeating Rice, 60 to 53. It was Texas' third conference victory in four starts.

Saner Levels Predicted For College Sports

Success for Program of De-emphasis Seen by Scribes in Poll

NEW YORK—(P)—More de-emphasis and a return to "saner levels" in college sports was forecast for 1952 by an overwhelming majority of sports writers and sportscaster participating in the annual Associated Press poll.

Many of them believe, too, that the current campaign for de-emphasis, especially in football, will be crowned with success this year.

The predicted tighter control by college presidents, less subsidizing, and less stress at winning at any cost.

A year ago, the writers and radio men around the nation painted a dark future for sports in 1951 in view of the Korean conflict. In filling out the AP's questionnaire, they said they felt the draft would cripple the minor leagues, lower the calibre of play in all sports, and cause a deep slump at the gate.

It didn't turn out that way although the draft was beginning to make itself felt in the latter part of the year. This year's Gallup poll of manpower, however, is beginning to cause alarm in sports circles.

IN ANSWER to the question: "What do you believe will be the outstanding trend, characteristic, or development in sports in 1952?" Pete Norton of the Tampa (Fla) Morning Tribune replied:

"The return to more sensible levels in college sports with colleges discovering that those gigantic buildings on the campuses of our schools were erected mostly for tax money for educational purposes, and not for the sole purpose of developing football teams."

Fred Russell of the Nashville (Tenn.) Banner predicted:

"Less stress on winning at any cost; further efforts to weed out undesirable elements in sports; (Continued On 2nd Sports Page)

Cardinals Seek 4th Hockey Win

The Madison Cardinals will be favored to win their fourth straight Fox Valley league hockey match tonight at Vilas park.

Apparent victims of the strong Madison sextet will be the West Bend club. Madison won its third straight last Sunday by swamping Menasha, 14-2.

There is no admission charge tonight; about 1,500 fans watched last Sunday's outdoor activities including the hockey match and the first preliminary speed skating meet.
