Minutes from 2016 Annual Meeting

Minutes of 2016 IRIYA Annual Meeting

Green Bay, Wisconsin

February 27 2016.

Meeting called to order by George Gerhardt at 7:10 pm.

Roll Call: Dan Bierman, Peter McCormick, Tim McCormick, Mike Derusha, Jim Lafortune, Ken Kreider, George Gerhardt.

Motion to approve minutes from previous meeting (m/s Peter McCormick/Tim McCormick). Motion passes

Motion to approve financial report (m/s Peter McCormick/Tim McCormick). Motion passes

Unfinished Business: none

New Business:

-Adopt and align the 3 day regatta race format with the ISA race format. (m/s Peter McCormick/Tim McCormick)

-Tim agreed to write up a Proposal to align the Renegade rules with the ISA format. This will include and increase to 3 races per day with a 9-race maximum for a 3 day regatta.

-Adopt the Bart rule as stated in the ISA agenda (m/s Peter McCormick/Jim Lefortune)

-Jim asked if the website could be updated more often. No volunteers were found to take up this task.

-George opened the door for volunteers to be considered by the board for the technical committee. If and when a open position comes up Mike Derusha volunteered.

-Jim brought up the thinking that the use of cell phone apps and GPS features maybe being used to an unfair advantage. If not now but even more possible as new technologies evolve. George agreed there could be tactical advantages in tack tracking of shifts and velocities; others didn't see any advantageous uses. No motion made but left open for future considerations as use becomes apparent and or technologies evolve.

-Unanimous request to republish Arland's article from an old newsletter into the next newsletter.

7. Election of officers for the following year: Motion to renominate the existing Board Members. (m/s Tim McCormick/Ken Kreider). Motion passes unanimously

2017 Notice of Race

The IRIYA is frequently held in conjunction with the ISA regatta. Once again, it is possible the IRIYA regatta will be held independently of the ISA regatta.

All races will be sailed under the rules of the National Iceboat Authority and those of the International Renegade Ice Yacht Association.

The regatta will be scheduled on January 6, 7 and 8, 2017. The first race will be held at 10:00 AM (local time) on Friday, January 6, 2017. In the event the IRIYA regatta is postponed, the IRIYA regatta will not be scheduled on the same weekend as the Northwest Ice Yacht Association (NIYA) regatta. The NIYA regatta will take precedence.

Awards shall be given to the yachts placing first through fifth.

Entry fee is \$15.00 per yacht payable upon registration.

Registration will be at regatta headquarters from 8:30 AM to 9:30 AM (local time) on Friday, January 6, 2017

Five (5) races are scheduled and **three** (3) are necessary to complete the regatta. If the IRIYA regatta is held separately from the ISA regatta, there will be **seven** (7) races scheduled and **four** (4) races are necessary to complete the regatta.

Skippers may obtain sailing instructions at the time of registration.

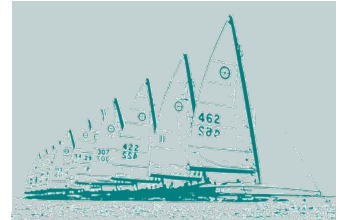

For confirmation of the regatta dates, the primary source of information will be the IRIYA web site (www.iceboat.org/renegade.html) beginning at 6:00 PM CST on January 1, 2017, or 6:00 PM CST on the Sunday before the regatta. For final confirmation go to website after 12:00 PM CST on January 4, 2017, or the Wednesday before the regatta. If computer access is unavailable, the secondary source of information will be the Renegade Hotline number (608-520-0006) beginning at 6:00 PM CST on January 1, 2017. Information as to the site, headquarters, and accommodations will be available at 1:00 PM CST on January 4, or the Wednesday before the regatta.  4. Approve/correct financial report
 5. Unfinished business
 6. New business
- 6.1 By-Laws, Article XIII – Races, Sections 13.5 and 13.6

Change:

Section 13.5. The Annual Regatta is to be a five (5) race, three (3) day regatta. No more than two (2) races shall be sailed in any one day with one exception: At the discretion of the Race Committee, a 3rd race may be permissible on Friday or Saturday to complete the regatta if it appears doubtful that racing will be possible Saturday or Sunday. But if subsequent races are held on Friday or Saturday, all races will count for the IRIYA Championship. A minimum of three (3) races must be completed at the annual regatta before a regatta can be counted. Starting positions for a yacht for the first race shall be determined by random drawing conducted by the Race Committee or designee. Starting positions thereafter shall be by the yacht's finishing position in the previous race. The finish position of a yacht being disqualified will not be filled by moving the other yachts up. If on the last day of the regatta the minimum number of races to complete the regatta has been achieved, no race shall start after 1:00 PM, local time.

Section 13.6. The IRIYA annual regatta is normally held in conjunction with the ISA (International Skeeter Association) annual regatta. If the ISA championship regatta is held in the "Eastern Region", the IRIYA regatta will be held in the "western region" either independently or in conjunction with the ISA "western region" regatta. If the IRIYA regatta is held *in conjunction* with an ISA regatta, **Section 13.5 applies**. If the IRIYA regatta is held *independently*, a seven (7) race format will be used as follows:

Day	Scheduled Number of Races	Maximum Number of Races
Friday	three	three
Saturday	three	three
Sunday	one	four

A minimum of four (4) races must be completed at the annual regatta before a regatta can be counted. If on the last day of the regatta the minimum number of races to complete the regatta has been achieved, no race shall start after 1:00 PM, local time.

If IRIYA Annual regatta is not completed during the normal winter months, the regatta may be completed the following November or December with an additional race format option. If it's necessary to sanction a November or December regatta, a 2 day, Saturday-Sunday, 5 race regatta will be allowed. The regatta format will be **at the discretion of the race committee**. A 2 day, 5 race regatta must have 3 races completed in order for the regatta to count and the format will be as follows:

2017 Agenda Items (continued)

Day	Scheduled Number of Races	Maximum Number of Races
Saturday	three	three
Sunday	two	three

Note: “Western Region” has been defined as west of the Toledo, OH area.

To:

Section 13.5. If the IRIYA Championship regatta is sailed in conjunction with the ISA, the IRIYA will follow the same race format as the ISA. If the annual regatta is sailed independent of the ISA, the format shall be a nine (9) race, three (3) day regatta. No more than three (3) races shall be sailed in any one day. A minimum of three (3) races must be completed at the annual regatta before a regatta can be counted. Starting positions for a yacht for the first race shall be determined by random drawing conducted by the Race Committee or designee. Starting positions thereafter shall be by the yacht’s finishing position in the previous race. The finish position of a yacht being disqualified will not be filled by moving the other yachts up. If on the last day of the regatta the minimum number of races to complete the regatta has been achieved, no race shall start after 1:00 PM, local time.

Section 13.6. If IRIYA Annual regatta is not completed during the normal winter months, the regatta may be completed the following November or December with an additional race format option. If it’s necessary to sanction a November or December regatta, a 2 day, Saturday-Sunday, 5 race regatta will be allowed. The regatta format will be **at the discretion of the race committee**. A 2 day, 5 race regatta must have 3 races completed in order for the regatta to count and the format will be as follows:

Day	Scheduled Number of Races	Maximum Number of Races
Saturday	three	three
Sunday	two	three

Note: “Western Region” has been defined as west of the Toledo, OH area.

Rational: We are adapting to the latest changes made to the ISA racing format. What is being proposed is a 9 race, 3 races per day, regatta. And 3 races will complete a regatta, the same as before. Finally, the new format will be the same no matter if the Renegade association is sanctioned with or without the ISA. The only time a Renegade regatta will not be a 3 day, 9 race regatta is if the race committee decides to make up a regatta in November or December and decides on a 2 day, 5 race regatta.

6.2 By-Laws, Article XII – Races, Section 13.4. The race committee shall set a lap time limit for a windward-leeward mile at seven (7) minutes per mile. Any yacht not finishing within 30 minutes of the first yacht shall be designated Did Not Finish (DNF).

ADD:

In all races the first yacht finishes her race after completing the scheduled number of laps within the time

2017 Agenda Items (continued)

limit. Regardless of which lap she is sailing, any following yacht finishes the race when she crosses the finish line after the finish of the first yacht. In each race a yacht will be scored ahead of all yachts with fewer laps.

Rational: This is what is known as the BART rule. It speeds up the racing making it easier on the race committee and scorers.
